How The Program Works

Once you have registered with CDT by creating your account under your sponsor, in either the Feeder or DTP, you start at the **Diamond Miner** level which consists of **8 accounts**. When 8 Diamond Miner sales complete the level through the cooperative sales efforts of your marketing team or of others in the program, you enter the **Diamond Cutter** level consisting of

4 accounts. Everyone else also advances. When the Miner accounts fill again, you enter **the Diamond Polisher** level which has **2 accounts**. When again the Miner accounts fill, you enter the **1 Diamond Collector** account. At this point, when the Miner accounts are once again filled, you cycle out earning cash and a diamond. If you enter the Feeder Program while your sponsor is in the main DTP, you will move through the Feeder Program first, cycle out and then join your sponsor in the main DTP. In the main DTP, you can automatically re-enter and repeat the cycle over and over.

NOTE: A qualified Diamond Cutter can skip an unqualified Diamond Polisher and jump into Diamond Collector.

Systems to Ensure Your Success

- ❖ We recommend that you **make a minimum 2 sales** as early as possible to avoid delaying the cycle time. 5 Direct sales qualifies you for Project Millionaire where you earn residual income.
- ❖ We have a **Freebee system** to help you succeed even if you're unable to make your 2 sales.
Freebee system ~ designed to help those who do not have 2 sales so they can be successful. **Temporary Freebee's** come from other Marketers who have brought in more than 2 people and they are given to those on a Diamond Table who have only 1 worker, and in some cases, no workers. **Corporate Freebee's** come from people who join the company's DTP, "off the street" usually through company advertising, and they become a permanent worker to other marketers in the program who are not qualified with 2 workers
- ❖ We have a **Follow-the-Leader** system to provide consistent support from your referrals. People that register follow their sponsors directly.
- ❖ **Revolving Cycle** ~ everyone has equal opportunity to be successful.
- ❖ **TOOLS & RESOURCES:** ! Replicated websites ! Your own CDT Store ! Marketing DVD ! Public Presentations ! Live Conference Calls ! Pre-Recorded Calls ! Corporate events ! CDT University *coming soon* ! CDT Support Team ! Powerpoint Slideshow.
- ❖ CDT pays by Visa Electron card and Canadian residents have the option of being paid by cheque.
